

Camp Jabez Q and A

When I try to register my child for camp, I get routed to a CampDoc website, what is CampDocs?

CampDocs is a third party safe and secure company that Camp Jabez uses to handle our registration, legal waivers, health information, emergency contacts, and general information related to your child.

What is Traditional Camp vs Jr Camp?

Traditional camp is for ages 8-16 and run Monday – Friday

Jr. Camps are for ages 5-7 and runs only for 3 days

What time does my child's camp start and end?

If you're riding the Gospel Mission bus from the Dayton location to Camp Jabez the bus leaves Dayton at 7:20 am. The Bus typically returns to the Mission at 4:15 depending on traffic.

Traditional Camps begin at 8:30 am and ends at 3:30pm

Jr. Camps begins at 8:30 am and ends at 2:30pm

Is lunch provided?

No, your child will need to bring a bagged lunch with their name clearly indicated. All lunches will be refrigerated. Water and popsicles are provided throughout the day.

What should my child wear?

We will have a variety of outdoor high-intensity activities, horse riding/training, and some water games. Traditional camps are involved with horses Monday, Wednesday, and Friday. Jr. Camps have horse activities the first and last day of their camp session. For horse activities your child will need to wear jeans and tennis shoes. Rubber boots, hiking boots, sandals, and flip-flops are not permitted. It will also be necessary for your child's shirt to fit properly so they will not get entangled in any gear that will be necessary for activities.

Will my child be swimming?

No, we do not have a swimming pool at Camp Jabez. However, as long as waivers are signed we do have paddle boats for them to ride on. While on the paddle boats life vests are worn at all times regardless of swimming abilities. They will also do some fishing and water related games.

Do you have horse camps?

No, not at this time. However, we do offer individualized lessons that begin in September and run through April. Please contact our main office to discuss details 937-223-4513
