\$40.00 a session for 1 hour

Horses & Healing

ELA- A faith based equine assisted learning program that facilitates emotional healing, awareness and growth through exercises and connections with our equine counterparts and faith in God to illuminate areas of ineffectiveness and weakness and encourage practical ways of positive change.

The ELA is ground work only, no riding, learning how the horses think and reacts and how we do as well.

\$40.00 a session for 1 hour

(Horsemanship and ELA can be combined)
